

LFR Club Ride (members only please) in the Laguna Mountains, Sat.,
March 7, 2015 @ 9 am, staging area on Morris Ranch Rd.

Dear Members,

We have a ride scheduled for Saturday, March 7, 2015, at Morris Ranch Road, Staging Area at 9 am. Be in the saddle by 9:45 am.

This will be a 4-5 hour ride with a lunch break.

You will need a Wilderness Day Pass, \$5 cost, for your vehicle, which can be purchased

at any Big 5 Sports store or the Ranger station in Alpine. The Staging area has room for about 10 -12 rigs, so if possible, please buddy up with another member. Beyond the staging area is room for a couple more rigs.

The ride will be led by John Fisher who will take us out on a long loop which will include part of the PCT. Please pack a lunch and drink/water for the ride. Watch weather reports and dress appropriately, with layers. It could be cool/cold. In the case of bad weather, we will consider rescheduling the ride.

Directions: Take Hwy 8 East to Sunrise Highway, Exit 47. Turn left upon exiting and head north on Sunrise Hwy for about 8 miles. Turn right on Morris Ranch Road. Follow Morris Ranch Rd to the staging area on the left.

If you are planning to join us or have any questions, please email Cyndi Denny at cd57sd46@cox.net or text her at 619.335.7018.
