Lakeside Frontier Riders, Inc. Newsletter

February/March 2016 Issue

## Old Business:

At our January meeting we had a full house with every table filled, including attendance by three of our Life Members at the January meeting, Margie Riding, John and Rhonda Kabot. The Club sends out a big thank you for taking the time to come to our meeting while you were visiting in town. We appreciate it and enjoyed seeing you all.

A big Thank You goes out to Jan and Glen Morgan for hosting the Christmas party. It was a great party, lots of food and fun. There was a ton of awesome food. The gift exchange was filled with a lot of competition of stealing the most-favorited gifts. Again, we all in the club thank the Morgans for opening up their home to the club.

We had a January club ride to Fiesta Island. It was a small turnout for the event, but those that went had a great time.

## President's Day Weekend Campout at Stagecoach

It was a great weekend for trail riding out in the desert, not too hot, not too cold, no rain, no wind. Everyone had a great time. Thank goodness no one owes a chocolate cake at the February meeting. We had a ton of food for the Saturday potluck, all of which was super delicious. The Sunday morning pancake breakfast was, once again, a huge success. We all need to send out a huge thank you to everyone who helped make it happen, and a huge thank you to Cyndi Denny for heading up the team and making those kickass, awesome pancakes!!! We also had a saddle fitting clinic by Dave Morrison out of Julian, and we had a "how to" clinic on high tying in the backcountry by Dan Clifford, Marty and Terri Jorgensen. It was very informative and inspiring to try something new with our horses. Pictures are posted on page three.

## Save the date.....

Los Vaqueros campout is set for May 26th to May 31st, Memorial Day weekend. Be sure to join us for a wonderful camping trip. New for this campout is the Saturday night dinner will be catered rather than a potluck. How awesome, no cooking!!! We will have it catered by Descanso Junction Restaurant and we will be serving the Fiesta plate. But don't forget your wine for wine tasting beforehand and bring a dessert to share for after !!!
