#### **Camp Lockett Camping/Day Ride, March 24th-26, 2017**

We had four rigs camping with seven people overnight. Spacious pull-through sites. There are 12 sites with 24 corrals. Ten Dollars per night, per campsite.

Barbara & Howard Hughes, Cindy & Steve Denny, Billi-Jo Swanson, Gail and Jim Greagrey camped for the weekend. Feel free to contact them if you have any questions about the facility

Six day riders came up on Saturday and two others who drove up to "look." Charlene and Maryann rode a challenging trail; otherwise, they were easy riding trails in addition to the PCT.

#### **Poker Ride Donations**

\$2250 of the allotted donation of \$3000 has been distributed as follows:

Backcountry Horsemen San Diego Division (BCHCSD). A check for \$750 was donated and delivered.

SDMBA - Crestridge Ecological Reserve (CER). A check for \$500 was donated to SDMBA specifically for maintenance tools at CER.

Sunshine Ranch Therapeutic Riding (SRTR) in Lakeside. A check for \$1000 was donated.

For the \$750 that was tabled from last month's discussion, the following charities have been recommended by membership:

ResQue Ranch in Escondido.

HiCaliber Horse Rescue in Valley Center (Tina Supplee).

Barbara explained they rescue all kinds of horses in need.

Poker Ride Donations, continued...

Horses for Heroes for Camp Pendleton Equine Therapy program for all veterans and active duty military and specializes in disabled and wounded vets. Operated by Ivey Ranch Park Association (501) c3 for 28 yrs. and is Path International certified. The six week program costs 4495.00 with 350.00 going to Horse care for the six weeks. They rescue horses and are a forever home once the horses are retired, to show that horses are a lifetime commitment. They have rescued race track horses and take donated horses, all of whom go through a 90 day trial to determine if they are fit for the program. Cindy Denny answered questions and recommended \$250.00 to \$350.00 donation for this program.

Falcon Ridge Horse Rescue: (no information provided)

Heart N Soul Equine Assisted Therapy in Pine Valley (Jody Davis) Contact: Jaye Strother 619-871-0051. (no information provided)

Castleton Ranch Valley Center/Lancaster (2 locations) (Laurie Curran). Since 2004 a 501c3 Sanctuary for horses in two locations, at present 102 horses. Also offers basic horse care training to horse owners, offers rebate for stallions for gelding. Horses are in a natural setting living out their lives. Castleton assists other rescues and organizations. The director earns \$77,000.00 for running the program.

Discussion on the recommendations: There were no further discussions for Falconridge Horse Rescue, ResQue Ranch, or Heart N Soul.

Motions: Cindy Helms, motion to approve \$350.00 for Horses for Heroes; 2<sup>nd</sup> Joyce Jewell. Rhonda Rhodes motion to approve \$750.00 for Horses for Heroes, 2<sup>nd</sup> Judy Clark.

Votes taken on Cindy Helms' motion. 25 to approve, 8 against. Motion passed. Once the \$350.00 motion passed, this invalidated Rhonda's motion.

Karen Ensall, motion to approve \$400.00 for Castleton Ranch; Kammi M 2<sup>nd</sup>. Due to confusion the votes were taken twice, so the final count: 13 to approve, 20 against, motion denied.

Mindy Kane, motion to approve remaining \$400.00

for Horses for Heroes; 2<sup>nd</sup> Laurie Curran. All approved. So two separate motions/votes for all of the remaining \$750.00 went for Horses for Heroes.

## **T- Shirts & Hats:**

A hat order has been placed. There will be hats available for sale at May camp for \$20 each.

Barbara suggested to membership we put in an order for t-shirts and sweatshirts to meet the minimum order of 24 shirts/hoodies and to have inventory to sell. If you want a particular shirt, fill out the order form and we will add it to the order. Order to include the premium hoodie sweatshirts and shirts in a variety of colors and sizes.

Howard Hughes, motion for the club to place an order; 2<sup>nd</sup> Joyce Jewell. All approved.

## **Bylaw Update: Need to go over changes**

The Bylaws Committee met and sent out the recommended changes to be discussed tonight.

We passed out copies of the previously emailed bylaws. Melinda led the membership through the proposed changes for each article, discussed or explained changes as needed.

Additional recommendations were made and noted. Due to the considerable time spent in our discussion only getting to Article III lead to a request to either recess or continue on. The majority voted to continue to finish the bylaws to "end the pain."

Discussion continued with more recommendations noted. Barbara asked if there were any further proposed changes to have them submitted in writing to the club's email before the next meeting. Proposed changes will be added into the bylaws which will be presented at the next general meeting for vote and approval.

## **NEW BUSINESS**

The Bod will appoint Steve Denny as Sargent-at-Arms for the LFR general meetings (per April BOD meeting, but it won't take effect until it is added in our Standing Rules).

We thank our members who participated.

## April 1st, Stowe Trail Maintenance Day:

Nine LFR members represented the equestrian community with their participation on the Stowe Trail maintenance day, joining the mountain bikers, hikers, runners and the USMC. LFR president and members: Barbara Hughes, Sandy Jones, and Jeani Buchanan served as gatekeepers, while board members Joyce Jewell, Steve and Cyndi Denny, along with Cathy Nelson, Mike Garcia, and Jeanne Abshire helped decommission an illegal trail off the Stowe Trail. We were nicknamed the "pony people," all in good fun. SDMBBA provided snacks and lunch for all of us volunteers and the Marines. REI handed out free t-shirts to everyone. The volunteers were joined by Dianne Jacob, the mayors of Santee and Poway, and other public officials and USMC Miramar Command to officially open the Stowe Trail to public access. It was a great day for all trail users who volunteered and for public access for trails.
