Parades:

4th of July Parade in Crest
and Descanso Days Parade

July is a busy month for parades for LFR. We were the sharpest-looking equestrian group in the Crest parade, and we received a 2nd Place ribbon!!!

Our group stood out with the turquoise saddle pads, ribbons, and bandanas and waving American flags.

Our club participants for the Crest parade included Karen, Shannon, Wendy, Billi-Jo, Cyndi, Steve, LeeAnne, Denise, Deb, with Joyce and Gayla carrying our banner. For the Descanso Days parade our participants were Billi-Jo, Kim, Shannon, Karen, LeeAnne with her daughter Morgan walking, and again with Joyce and Gayla carrying our banner. Both parades are fun to be in because of the small-town community feeling with lots of local residents cheering us on along the route. Everyone should send out a big thank you to all our members who took the time to be in the parades representing LFR.

Two New Life Members Selected!!!!

We are pleased to announce that John and Rhonda Kabot have been chosen by our membership to hold the honored positions of Life Member status with our club, an honor given to only a handful of recipients in LFR's 65-year history, but ever so deserving to these two long-standing, dedicated members. John and Rhonda Kabot have been members of Lakeside Frontier Riders for decades. A year and a half ago they retired and left the Lakeside area and moved up to Oregon to be closer to family, leaving all their LFR friends behind very saddened and with the feeling of a big hole left to fill in the club.

Both John and Rhonda held various board and officer position for the club including President and Treasurer for many, many, many years. As current, long-time members now fondly recount stories of the Kabots, one in particular is how John's newsletters were so incredibly entertaining that everyone would rush home to open their mailbox just to read the LFR newsletter which was filled with many funny stories of member's activities throughout each month. Whether they were fictional stories or not didn't matter because they were all written in good-spirited fun so everyone loved to read them and they devoured the pages cover to cover.

Rhonda always came through with flying colors year after year on her treasurer duties that no one else wanted to take on the chore. She always put in countless extra hours going over the books and making sure we were all square on our shoestring budget, Uncle Sam's taxes, and even recently a few years ago spending over 40 hours away from her personal time to straighten out the club's paperwork in order to maintain our 501(c)(7) status, a chore no one wanted to take on, and thankfully she successfully concurred the task.

The Kabots always were ready at the helm leading and helping out with every LFR event throughout the years. They were very involved in the club's trail trials, the Easter Sunrise service, horse camps, parades, chili cook offs. You name it, they were there. If you needed help, they were there to help out always with a smile and kind words. We have missed them and are honored to have them become Life Members of our club.
