Latest News:

Lakeside Western Days Parade –

LFR participated in the Lakeside Western Days Parade

which was on April 26. It was a cool and cloudy day, but it did not rain on the parade!! Our riders included:

Karen, Bree, Billi-Jo, Denise, Lee Anne, Barbara H., Ellen, and Shannon. Joyce and MaryAnn held our banner. The beautiful turquoise saddle pads really stood

out along with the bandanas. Everyone looked fantastic. Thank you for representing the club!! We also send out a big Thank You to TRVEA for letting us borrow their saddle pads and Thank You to Billi-Jo for arranging for LFR to borrow

them. Good news - Since the parade LFR purchased 10 pads, so we now have our own beautiful turquoise saddle pads for use in future parades. And to top off a great event, LFR won the Division Marshall award and received a plaque.

T-shirts –

The T-shirts are in!! See Joyce to pick up and pay for the shirts if you ordered some. There are a bunch of extras in a variety of sizes and styles available to purchase. Contact Joyce at hpmetals@yahoo.com.

May Horse Camp at Los Vaqueros –

We are camping at Los Vaqueros Horse Camp May 22nd to 27th. Check in at camp is 2:30. We have sold 41 corrals. Parking will be tight with so many big rigs, so we have to follow the rules and instructions from Theresa. For more info, contact Cyndi at cdenny@barona.com. We will have the fish fry Friday night at the Cuyamaca Lake Restaurant, wine tasting Saturday about 4:30 followed with our potluck with the club providing five tri-tip roasts. We will have another “bring your leftovers” potluck Sunday night for those that want to participate. Come join us and relax in the beautiful mountains. If you can't stay to camp, come on up for a day ride. Also, bring your binoculars/telescopes to view the meteor showers.

BRAGS -

Lee Anne bought a new horse, a Tennessee Walker, gelding. Her new nickname is "Eight Seconds" and she deserves a belt buckle because she was able to stay on her old horse for eight seconds while he was bucking....hence, the new horse!!

Bobbi can now back up her huge four-horse trailer thanks to her attending a trailering clinic put on by BCHSD.

Deb Montgomery bought a new Ford SLT truck.

Karen finally got Sahar into a horse trailer after having refused for the last several years.

Karen is also getting a new saddle due to "slipping off" and blaming it on the saddle...hubby believed her...just tighten the cinch next time!!! And Asa went under the scary bridge at Black Mountain Road for the first time.

Steve no longer has to hold the hair dryer for Cyndi as of this last Monday. For 74 days he has patiently and lovingly put up with Cyndi and her hair styling demands.

Cyndi will be able to get back in the saddle at horse camp for the first time since her shoulder surgery!!
