Christmas Party:

On December 6th the Dennys' home was packed full of LFR members and family, enjoying all the treats, drinks, and the wonderful dinner. We had a great time socializing and indulging on all the fantastic food at the huge buffet featuring the Honey Baked ham and a Seven-Bone Rib Roast. The gift exchange was quite entertaining, like always.

Trail Maintenance/Cleanup:

On January 10th LFR members joined Ernie Smith and his neighbors for trail clearing in Descanso. A portion of the California Hiking and Riding Trail was cleaned up. It was hard work, but it is important to support our trails. We had a wonderful lunch afterwards at Ernie and Robin's, enjoying Robin's famous Pulled Pork Sandwiches!!! THANK YOU to all who participated.

LFR Life Members Honored at our January Meeting:

We honored our newest Life Members, Rhonda and John Kabot, and one of our original founders and Life Member, Marge Riding. Engraved plaques were presented, along with flowers and a beautifully decorated cake with the LFR logo on it!! It was interesting to learn about the history of LFR and to hear stories from our long-time dedicated members.

Marge told us about the history of LFR, which originally was called the El Capitan Riders. Marge joined around 1955/56 and membership and interest in the club was dwindling, so Marge took charge and revived interest in LFR and the club has been going strong ever since. Marge stated, "Everybody needs a club to have some camaraderie to enjoy life." So true...

Rhonda started her LFR membership when she was in her 20s and getting her first horse. She has many fond memories and plenty of stories of fun and friendship since she has over 30 years of LFR membership. I'm sure she doesn't miss doing our taxes!!

John will always carry the reputation for creating very humorous newsletters filled with tall tales. LFR members would rush home to grab the newsletter out of the mailbox and read it cover to cover to see what creative stories were inside, always the truth but with a heaping spoonful of embellishment. John's wit and humor are still quite apparent today as he left us with these parting words, "LFR is the only club where the membership gets younger and better looking." Of course, the room broke out in a big belly laugh with that line.

January's Club Ride at Dulzura Vineyard and Winery.

The owners of the Dulzura Vineyard and Winery welcomed us to their property on January 24th. It was a wonderful day to ride, a little windy, but that will not stop us from having a fun day partaking in wine tasting, a fun five-mile ride, and then enjoying a relaxing lunch under the shade of the trees at the winery.
