### Club Rides -

Our April club ride was on Sunday the 6th in Descanso at the Merrigan Trailhead staging area. We had approximately 15 riders. It was a perfect day for a ride in the mountains. From all the smiles, everyone had a great time. Everyone brought their lunch and took a break half way through to relax and eat. Ernie was a terrific trail guide. Thank you.

Any ideas for the June ride?? Let us know. Contact Karen at [karenensall@yahoo.com](mailto:karenensall@yahoo.com).

### May Horse Camp at Los Vaqueros –

We are camping at Los Vaqueros Horse Camp May 22nd to 27<sup>th</sup>. Check in at camp is 2:30. We have sold about 35 corrals. Parking will be tight with so many big rigs, so we have to follow the rules and instructions from Theresa. For more info, contact Cyndi at [cdenny@barona.com](mailto:cdenny@barona.com). We will have the fish fry Friday night at the Cuyamaca Lake Restaurant, wine tasting Saturday about 4:30 followed with our potluck with the club providing four tri-tip roasts. Then we are having hamburgers and hotdogs

Arrive at the staging area at 7:30 which is located at Channel Road and Maplevue St. The lineup is at 8:30. That also is when the roads are closed. If you are not participating, be sure to go watch the parade and cheer on our club. For more information, contact Joyce at [hpmetals@yahoo.com](mailto:hpmetals@yahoo.com).

## T-shirts –

Joyce placed our order. We are just waiting now for the order to be completed. Hopefully they will be here by May's meeting so we can all show them off at horse camp. If you didn't place your order, don't worry. Joyce ordered extras in a variety of sizes, colors, and styles so there are extras to purchase.
