### News, Events, & Announcements:

March's Club Ride at the winery at the Dulzura Vineyard and Winery took place on March 5th. We had about eight riders. All had a great time riding out on the beautiful trails, and everyone was brave and rode the "slide" trail. Our hats off to you for that one!!

Vern Whitaker Horse Camp weekend was on March 18th to 21st. The weather was great, just a tad warm, nothing like last year's triple digit weather. Everyone had a wonderful and relaxing weekend.

There were no snake sightings at this year's campout. Howard had an "unplanned dismount," which means.....chocolate dessert for everyone!! We all enjoyed the brownies and

chocolate covered pretzels at our April meeting. Thank you, Howard.

## More News, Events and Announcements.....

We had another campout event at Stagecoach RV Park in the desert on the weekend of April 18th. About 15 LFR members attended. We did not rent the clubhouse, so everyone got together for potlucks and get-togethers at our campsites. It was perfect weather. Everyone had a wonderful time.

Lakeside Western Days Parade was Saturday April 21st. We had a large group of riders all looking fantastic in our turquoise colors. We all send out a big thank you to Cindy Helms for carrying the American flag for the group.

## UPCOMING LFR EVENTS:

Our club ride in Ramona going to several wineries is scheduled for **May 15th**. This is a “do over” ride since this ride was rained out in March.

We are participating in the Ramona Parade scheduled for **May 21st**.

Our Los Vaqueros Horse Camp is **May 26th to 31st**, Memorial Day weekend.

LFR’s June club ride is scheduled for **June 18th** at Boulder Oaks. Billi-Jo and Chelleen will lead the ride. We have set the ride-out time for 10:00 a.m. Make sure that you purchase your Adventure Pass so you don’t get a parking ticket. Day passes are available at any ranger station, Big Five Sporting Goods stores, and at Boulder Oaks parking. A one-day pass is \$5.

## SAVE THE DATE:

We have Los Vaqueros Horse Camp reserved for September 29th to October 3rd!!!

## Other News:

LFR generously donated funds to a local horse sanctuary, Tir Na Nog, in April. Tir Na Nog was having their annual "dental" day of which you can just imagine how expensive it is to pay for all the teeth floatings for about 30 horses.

The trails from the Hollister Staging area all the way to Imperial Beach are under water and it is impossible to get through. If you want to ride at the beach, be sure to stage all the way down off of Monument Road at the Border State Park.

Save your quarters. The word on the street is that Los Vaqueros is going to start to charge for the showers, like they do at Green Valley Camp. We'll keep you posted on when it happens.
